

To the Anonymous Man ...

By Barbara Jackle
New Cumberland

Who asked the question,
How can I respond?
Your puzzlement as to why anyone would

Volunteer remains with me.
Only an open heart with intent to help
Lives in unexpected ways dealing with
Unusual situations.
New friends and circumstances keep my mind sharp
To create moments of joy in
Ever changing and sometimes despairing
Experiences in times of crises.
Resolve to put others ahead of myself!
